AI*IA Incoming Mobility Grants 2018

Call for research visits

Deadline for applications: 30/11/2018

To favour mobility of young researchers the Italian Association for Artificial Intelligence (AI*IA) issues the AI*IA Incoming Mobility Grants for 2018. Applications are solicited for funding a research visit of a PhD student enrolled at a foreign University to an Italian institution.

AI*IA will cover the travel costs and living expenses (up to 2,000 euros) of successful applicants. The funding will be provided as a reimbursement for the expenses incurred in the visit. After the visit, the awarded person should send the Association the receipts of her/his costs for which she/he would like to be refunded.

The central aim of these long visits is to build a research bridge between researchers and to create a solid basis for long term collaborations. Moreover, the visit has to lead to a submission of an article on a joint research topics to the Intelligenza Artificiale journal (www.iospress.nl/journal/intelligenza-artificiale/).

Eligibility for the visiting student is to be enrolled full-time in a PhD programme at a foreign University. Funding is available for 2 students.

The visit should start between the 1st of January 2019 and the 31th of December 2019.

Deadline for applications: November 30th, 2018

Notification of grants: December 15th, 2018

The information required in the application are:

1. name of the foreign PhD student who will be hosted;
2. name and address of the foreign Lab/Department and University;
3. name of the Italian researcher of the hosting institution. The Italian researcher must be a member of the Association for 2018. If she/he is not a member for 2018 she/he must register before applying.
4. a short (max 2 pages) resume/CV of the foreign student;
5. a short (max 2 pages) resume/CV of the Italian host;
6. a short (max 2 pages) description of the research that will be carried out during the visit
7. a budget of the foreseen expenses;
8. declaration of the Italian host indicating that the hosting institution is willing to provide office space and access to lab facilities to conduct the research;
9. expected visit dates.

The applications must be sent by email to incoming@aixia.it
